Linn County Early Childhood Iowa Board Priorities

The Early Childhood funds must be used to improve the quality and capacity of child care programs in Linn County. One way to achieve that is to support a skilled workforce with professional development opportunities.

There are a number of training and conference topics of value to early child care providers. Attachment A contains current input from Linn County child care providers on their professional development needs. Other emerging needs are the field of study on Adverse Childhood Experiences, use of Ages & Stages Questionnaire and the increasing diversity of children and families in Linn County. This is not an exhaustive list and the Board would be interested in learning about your unmet professional development need.

Instructions: Review the list of professional development topics below and mark in the far right column the topic(s) your training or conference will address:
