

Healthy Child Screening Day

April 29, 2017
9 am to 12 pm

Downtown Library—
450 5th Ave SE, Cedar Rapids

Bring your young child to the Library and receive free vision, hearing, dental and developmental screenings. The health screenings are for any child between 6 months and 5 years. Additional community partners will be providing information, activities and resources. (Parent and child must be present to get screenings.)
