Fiscal Review and Action:

Mission: *To provide and support quality education, health and social services through community partnerships and collaborations, for children prenatal-age 5 and their families, resulting in healthy, safe, school ready children.*

Vision: Every child will have access to quality services empowering them to be healthy and successful.

- **MSC:** (Finance Committee/Spellman) Motion and Second to: 1). Allow FY 17 Professional Development Early Childhood contracts to proceed, and 2). Amend the following FY 17 School Ready contracts per their projected underutilization: Horizons in-Home Family Support – reduce by \$5,350, Parent Education Consortium – reduce by \$11,000, Partnership for Safe Families In-Home Family Support – reduce by \$3,094, KidsPoint Preschool Scholarships – reduce by \$8,000, Cedar Rapids Schools 3-Year Preschool – reduce by \$1,000. Motion carried unanimously.
- c. **FY 18-19 ECI Allocation Reduction Impact:** Kivett-Berry noted that Linn County ECI has 2-year contracts with funded programs, except Family Community Health Alliance, which has a 1-year contract. Projection is that all ECI programs will experience budget cuts in FY 18, and that in FY 19 elimination of contracts is possible.
- d. **Review Monthly Controls:** Harp reviewed the Dec 2016 Financial Controls and expected utilization should be at 50% : General 62.01%, Family Support & Parent Ed 37.36%, Preschool Support 51.24%, Quality Improvement Funds 38.8%, and State Early Childhood 48%.
